AQUABELLA

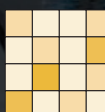

CURATED AND CRAFTED SURFACES FOR LUXURY LIVING

At Aquabella®, we don't just sell tile — we help you design the backdrop to your best and brightest memories. From shimmering glass mosaics to rich porcelain and natural stone, our complete collection brings elegance, personality, and a splash of luxury to pools, patios, and beyond. With a global network of suppliers and our U.S. showrooms and warehouses, we deliver beauty with efficiency — and back it all with service as polished as our tile. Whether you are crafting a serene escape or the ultimate entertainment oasis, Aquabella helps you make every detail unforgettable.

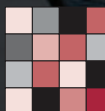

COLOR AND SHADE VARIATION

V2 = SLIGHT VARIATION: Clearly distinguishable differences in texture and/or pattern within similar colors.

V3 = MODERATE VARIATION: The colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example, "that little bit of color" on one piece of tile may be the primary color on the next piece.

V4 = RANDOM VARIATION: Random color differences from tile to tile, so that one tile may have totally different colors from other tiles. Thus, the final installation will be unique.

LEGEND

Aquabella products are available in a variety of finishes, mounting systems and styles. Please reference the following guide to help make your selections:

GLOSSY FINISH

SEMI-GLOSSY FINISH

MATTE FINISH

BULLNOSE AVAILABLE

SLIP-RESISTANT

THICKNESS

INTERLOCKED TILES

Our interlocked tiles feature edges cut in a puzzle-like pattern, allowing the pieces to fit together seamlessly. This design hides joints, creates a continuous look, and simplifies installation.

GLASS MOSAICS

DAZZLE IN EVERY DROP

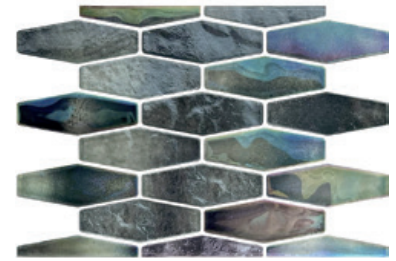

Make a splash with dynamic and striking Glass Mosaics. These luminous tiles capture sunlight and transform it into shimmering displays of color and light. Whether you are drawn to the sleek elegance of soft, cool tones or the bold brilliance of radiant hues, glass mosaics bring a high-end, radiant quality to any pool design.

With their reflective surfaces and rich translucence, these mosaics do more than line the water—they animate it. Watch the play of sunlight ripple across each tile, creating ever-changing patterns that dance beneath the surface. Choose from a range of sizes and finishes to create everything from serene escapes to vibrant aquatic statements.

PORCELAIN TILES

CLASSIC BEAUTY. ENDURING STYLE

Porcelain Tiles offer a timeless foundation for swimming pool design. From bright, inviting blues to earthy, organic tones, these tiles are a perfect blend of beauty and practicality. Known for their durability and easy maintenance, porcelain tiles are the trusted choice for both residential retreats and commercial pools alike.

Choose from vivid, high-gloss finishes that pop in the sun, or naturally textured surfaces that blend effortlessly with stone, water, and sky. Whether your vision leans modern or Mediterranean, porcelain tiles give you the creative freedom to bring it to life—without compromising on function or longevity.

PORCELAIN MOSAICS

ARTISTRY IN EVERY ARRANGEMENT

Porcelain Mosaics add texture, pattern, and polish to pool surfaces with small-scale impact that makes a big visual statement. These refined tiles come together like brushstrokes on water—meticulously arranged to create geometric interest, flowing movement, or subtle shimmer beneath the surface.

Engineered for strength and made to inspire, porcelain mosaics are ideal for waterlines, feature walls, and intricate inlays. Their reflective qualities echo the sparkle of glass, while maintaining the classic durability of porcelain. It's where design meets detail—one tile at a time.

HARDSCAPES

SURFACE WITH SOUL

Bring the beauty of nature to your outdoor living spaces with Hardscapes—an elevated selection of pavers, ledgerstones, and surface tiles designed for patios, pool decks, and BBQ areas. Rich with texture and earthy tones, these materials evoke the grounded elegance of stone while offering a refined, durable finish underfoot.

From sun-drenched pavers that complement the pool's shimmer to rustic ledgerstone that frames an outdoor kitchen with rugged charm, hardscapes help create a cohesive and elevated outdoor environment. Whether you are aiming for resort-style luxury or natural simplicity, this is the foundation where leisure meets style.

CLEANERS

Powerful triple action, oxygen, alkaline, and detergent boosted heavy duty cleaner for removal of general grime and stains. Suitable for all-natural stone, tile, and more.

SEALERS

Provides great surface stain protection, and protection against more serious common types of damage caused by water ingress (penetration), including efflorescence, salt spalling, freeze-thaw spalling, and picture framing.

ACCESSORIES

ACCENTS THAT DAZZLE.
FEATURES THAT IGNITE.

Transform your pool into a one-of-a-kind destination with Aquabella's accessory collection — where fiery water features meet ocean-inspired artistry. From dramatic fire-and-water installations that mesmerize day or night, to hand-crafted mosaics that bring dolphins, turtles, sharks, and tropical fish to life beneath the surface, every detail is designed to elevate your pool's beauty and

personality. Step markers double as art and safety, while our colorful accents turn the ordinary into the extraordinary.

DESIGN TIP:

When choosing a pool finish, think about the overall mood you want to create with your backyard

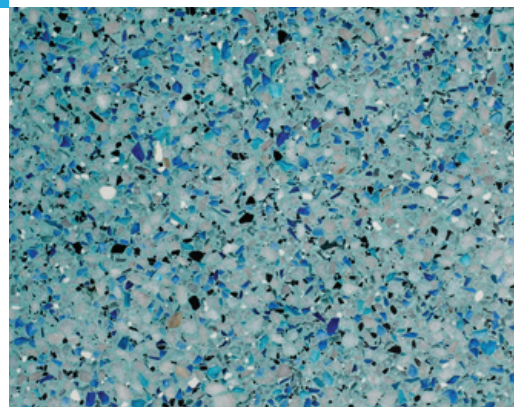

entertainment environment. Lighter finishes tend to give off a bright, beachy turquoise effect, while darker blends create dramatic, deep-blue tones that feel more natural and lagoon-like. Also consider how the finish will look with your surrounding hardscape, tile, and landscaping—warmer tones work well with earth and desert palettes, while cooler colors pair beautifully with modern stone and lush greenery. Take a close look at texture too—finer aggregates offer a smoother feel underfoot, while larger aggregates provide more visual depth and sparkle. It's all about finding the perfect mix to bring your vision to life.

POOL FINISHES

BRING YOUR POOL TO LIFE WITH RICH
TEXTURE AND DEPTH

A beautiful pool deserves a stunning finish—and that's exactly what our premium pool finishes deliver. By blending naturally tumbled pebbles into plaster and adding customized pigments, these modern surfaces turn an ordinary pool into a work of art. Whether you want a deep lagoon look, a sparkling aqua retreat, or a cool Caribbean vibe, there's a finish that sets the perfect tone for your backyard escape.

More than just good looks, these textured finishes offer lasting performance. They are smooth underfoot, easy to maintain, and built to handle years of sun, splash, and celebration. Choose from a wide spectrum of colors and blends to design the water color and ambiance that fits your lifestyle—vibrant, calm, exotic, or bold.

Special Commissions also available.

Thank you for choosing Aquabella glass tiles.

IMPORTANT NOTICE

Proper installation is critical to the performance and durability of these products. Installation issues are not the result of product defects and are the sole responsibility of the installer. Aquabella is not responsible for any installation-related issues or failures. Once the product has been installed no installation-related claims will be accepted.

RECOMMENDED INSTALLATION PRACTICES

To help ensure a successful, long-lasting installation, please follow these guidelines. Your licensed tile contractor is ultimately responsible for all installation decisions and methods.

1. FOLLOW TCNA GUIDELINES

Adhere to the Tile Council of North America's recommendations for glass tile installation, including proper movement joints.

2. USE GLASS-SPECIFIC ADHESIVES

Always use an adhesive specially formulated for glass tile. Some adhesives designed for porcelain tiles can shrink when overapplied and may cause cracking in the glass tiles.

3. CHOOSE REPUTABLE PRODUCT SYSTEMS

We recommend using installation systems from companies that offer limited warranties, or full replacement guarantees, if their products are used according to their instructions, giving you added peace of mind.

4. CONSIDER EPOXY SYSTEMS

Using a colored epoxy product suitable for both setting and grouting, can improve long-term performance. Proper application ensures strong edge bonding and a secure installation.

If you or your contractor have questions regarding proper installation of Aquabella glass, our customer service team is here to help. We are committed to ensuring your tile project is a success.

LIMITED PRODUCT WARRANTY: Aquabella® guarantees its products will meet or exceed the performance specifications outlined in the most current version of Aquabella's Test Results Chart.

WARRANTY: In the event of latent defects caused by improper manufacturing, the company will replace any defective units FOB its warehouses (installation not included), provided the company is notified within one year of installation or within 18 months of shipment of product, whichever occurs first. In all cases, specific installation details, structural design, and environmental conditions are beyond the control of the company. Aquabella cannot accept responsibility for the performance of its products where improper installation, design, or environmental conditions exist.

IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE: Aquabella limits the duration of the implied warranty of fitness for a particular purpose to one-year or the maximum statutory period prescribed by law, whichever is less. Failure to comply with recommended applications voids this warranty. To the maximum extent allowable by federal and state law, this warranty supplements or supersedes federal and state consumer goods warranty protections.

DISCLAIMER: Natural stone products are mined and cut from natural formations. Because these products are not subject to a manufacturing process Aquabella does not warrant natural stone products for shade, size, thickness, warping, cleft variations, surface finish variations, or other natural variances. Any misuse of the product, including physical or chemical abuse or negligence, is not covered by this warranty. Any defect, visual or otherwise, that is apparent prior to installation is not covered by this warranty. In no event shall Aquabella's liability on any claim made by anyone exceed the purchase price paid for the product by said customer in respect to the Aquabella materials on which damages are being claimed.
